No. 613
P.

Dated 16th February 1903

SIR,

The Deputy Commissioner, Shimoga District, requests sanction to a sum of Rs. 1611-1-6 as per enclosed estimate for sinking two wells - one for the use of the people that live in sheds adjoining the Jail Road and the other in the "Maharnavami maidan" and states that unless the people are given the convenience of good drinking water supply, it is impossible to induce them to remain in Health Camps during the summer season.

While recognising the necessity for drinking water wells in Health Camps, I have the honor to state that the people who are living there cannot be allowed with ~~much~~ safety to occupy their infected houses just now, when the disease is showing signs of abatement and to request therefore that you will be so good ~~as~~ as to obtain the early sanction of Govt. to enable the Deputy Commissioner to complete the work in time and to render it useful to the people during the summer season.

3. I may here add for the information of Govt. finding that Plague has practically ceased to exist at Shimoga, I have called upon the Deputy Commissioner to effect speedy reductions in the establishment with a view to cover up the heavy cost of sinking these wells.

I have the honor to be,

Sir,

Your most obedient servant.

Senior Surgeon and
Sanitary Commissioner.

Abstract Estimate of the probable Cost of sinking a new well near ment sheds at Shimoga.[3]

No. P.
3075

OFFICE OF THE SENIOR SURGEON AND
SANITARY COMMISSIONER WITH
THE GOVERNMENT OF MYSORE,
dated, Bangalore, the 13th May 1904.

From

J. Smyth, M.D.,
LT.-COL. ~~PERCY H. BENSON, M.B., I.M.S.~~,
Offg. Senior Surgeon and Sanitary Commissioner,
with the Government of Mysore,
~~Plague Department~~).

To

~~H. V. NANJUNDAYYA, ESQ., M.A., M.L.~~,
Offg. Secretary to the Government of His Highness the
Maharaja of Mysore, Gen. & Rev. Departments.
Bangalore.

Sir,

Sl 2. Slip A With reference to Government Proceedings No. 13287-8/L.B.P. 622 dated the 3rd. March 1903 sanctioning a sum of Rs. 1611-1-6 for sinking two wells near the Health sheds, Shimoga, I have the honor to state that it is reported that in the course of excavation hard rocks were met with, for which higher rates were demanded than those allowed in the estimate for the sum referred to above. The work was consequently held in suspense till March 1904, when it was again taken up, on the condition that such rates as the Executive Engineer approves will be allowed for the different kinds of earths and rocks, that may be found during the course of excavation.

As the amount sanctioned lapsed with the close of the Official year 1902-03, I would request that you will be so good as to obtain a fresh sanction of Government to the same,

pending

pending however, the submission of a revised estimate, in case the sanctioned amount is found insufficient.

I have the honor to be,

Sir,

Your most obedient servant,

M.D.,
Lt.Col.I.M.S.,
Offg. Senior Surgeon and Sanitary Commr.
